to ref-west

Dear Vicky,

4.30 to 4.45 is convenient. I am happy Susan would like to be present by video call. We need somewhere with good Internet connection and privacy. I could come to you if it is more convenient. Are you based in Sheffield?

I have attached some screen shots, copy of email sent to Mark, no reply yet. Also attached is a list of Questions I have for Mark at Wednesday's Meeting.

Kind Regards

Michael Meredith
