to me

Dear Michael --

With just a week to go to the Southey by Election we need as many boots on the ground as possible to help us make this final push count.

Between now and Tuesday 25th August if you can offer any help it will make a big difference. Even if you can only spare an hour or two, it all helps.

With the help of our members we can put together some coordinated canvassing sessions and collect as many VIs as possible before polling day.

Every door, every conversation and every VI counts. Let's give this final stretch everything we've got!
