Hi Michael

Thank you very much for your questions that you presented to us at Wednesdays public meeting. I have read through them and in order for you to receive the appropriate responses I have sent them on to our Planning and Housing Growth services. They will reply to you directly.

You mentioned at the meeting that you wanted an acknowledgement from Clive Betts MP to your question. I have looked through the questions but I am unclear which specifically you wish Clive to respond too. Apologies if I have missed this but I want to make sure you get the correct responses from the relevant people.

Please could I ask that you confirm to me which point specifically you want Clive to reply too . ( I believe you mentioned you had previously emailed Clive Betts about an issue and hadn't received a response , you were therefore pursuing this with the Government Ombudsman)

I look forward to your reply

Many thanks  
Jayne
