Good morning,

I have been requesting information under the freedom of information act 2000 with regard to stewardship agreements and payments made to Sheffield City Council.

Our award-winning oasis was opened in 2012 by Clive Betts MP for Sheffield South East. The Land management was undertaken and monitored by Natural England by their Higher-Level Stewardship Scheme.

Please examine <https://www.ecological-owlthorpe.org/Interpritation.htm> the boards show the extent of work carried out.

Also <https://www.ecological-owlthorpe.org/ecologicalserveys.html> shows the extensive work undertaken by Derek Whiteley producing Owlthorpe Meadows Invertebrate Survey's – 2010 – 2011 and 2012.

What I am looking for is the detailed payments from 2012 to present date and maps that show exactly what is covered. I realise that Sheffield City Council have their records but my request under the freedom of information act 2000 is for copies of what you hold.

The information will be supplied to Parliamentary Ombudsman as supplemental to my formal complaint: <https://www.ecological-owlthorpe.org/ParliamentaryOmbudsmanTwo.pdf>

Thank you for your attention

Kind Regards

Michael Meredith
